

BÖLME İŞLEMİNE HAZIRLIK

Aşağıdaki işlemlerde verilmeyen örnekteki gibi çarpanı bulalım.

$5 \times \square = 15$ (15'e kadar 5'er sayıp bulalım) $5+5+5=15$ (3 tane 5)

$4 \times \square = 20$	$6 \times \square = 30$	$5 \times \square = 10$	$2 \times \square = 10$
$5 \times \square = 45$	$5 \times \square = 15$	$5 \times \square = 30$	$4 \times \square = 20$
$3 \times \square = 15$	$4 \times \square = 20$	$5 \times \square = 25$	$6 \times \square = 30$
$5 \times \square = 15$	$9 \times \square = 45$	$5 \times \square = 15$	$8 \times \square = 40$
$5 \times \square = 30$	$1 \times \square = 5$	$5 \times \square = 45$	$1 \times \square = 5$
$6 \times \square = 30$	$3 \times \square = 15$	$5 \times \square = 30$	$3 \times \square = 15$
$5 \times \square = 25$	$7 \times \square = 35$	$5 \times \square = 20$	$5 \times \square = 25$
$5 \times \square = 20$	$5 \times \square = 25$	$5 \times \square = 15$	$7 \times \square = 35$
$5 \times \square = 35$	$8 \times \square = 40$	$5 \times \square = 35$	$9 \times \square = 45$
$5 \times \square = 45$	$6 \times \square = 30$	$5 \times \square = 15$	$2 \times \square = 10$
$5 \times \square = 5$	$2 \times \square = 10$	$5 \times \square = 40$	$8 \times \square = 40$
$5 \times \square = 0$	$8 \times \square = 40$	$5 \times \square = 30$	$4 \times \square = 20$
$5 \times \square = 40$	$3 \times \square = 15$	$5 \times \square = 25$	$5 \times \square = 25$
$5 \times \square = 15$	$4 \times \square = 20$	$5 \times \square = 15$	$6 \times \square = 30$
$5 \times \square = 10$	$2 \times \square = 10$	$5 \times \square = 35$	$3 \times \square = 15$
$5 \times \square = 25$	$5 \times \square = 25$	$5 \times \square = 5$	$5 \times \square = 0$
$5 \times \square = 20$	$3 \times \square = 15$	$5 \times \square = 0$	$1 \times \square = 5$
$5 \times \square = 15$	$6 \times \square = 30$	$5 \times \square = 10$	$9 \times \square = 45$
$5 \times \square = 30$	$8 \times \square = 40$	$5 \times \square = 40$	$7 \times \square = 35$
$5 \times \square = 45$	$2 \times \square = 10$	$5 \times \square = 35$	$8 \times \square = 40$
$5 \times \square = 35$	$7 \times \square = 35$	$5 \times \square = 15$	$2 \times \square = 10$
$5 \times \square = 15$	$9 \times \square = 45$	$5 \times \square = 20$	$4 \times \square = 20$
